

Charles Hope

Central to your stay
Copenhagen
Denmark

Copenhagen West By Charles Hope are situated in Copenhagen's new green district (Valby) with a focus on community and nature. Here you do not compromise on city life as you're only a short distance to cultural offerings, restaurants and public transport.

Whichever of our three bedroom apartments you stay in you'll find in the heart of the apartment an open and bright kitchen. Very modern and well equipped kitchen with a cooker, hood, fridge-freezer, induction hob, built-in oven and dishwasher.

The floors are oak parquet, which supports the Nordic feel to these modern apartments. Bathrooms are built with stylish tiles and leads onto a utility area equipped with a dryer and washing machine. The apartments also boast complimentary WiFi smart TVs. You can enjoy nature on your balcony, terrace or roof terrace, designed for the draw in the best light. The courtyard is decorated with an oasis-like feel, so there is room for both relaxation and play. In There is also bicycle parking at the property.

Only in Copenhagen does the morning rush of cyclists look more like a runway show on wheels. Forget Milan; when it comes to style, it's hard to beat Copenhagen's denizens. Few people have such a knack for effortless cool, driven by a reverence for simplicity, detail and understated beauty. Copenhagen is not only the major corporate hub in Denmark but a thriving tourist hotspot, from an amazing Cafe culture to amazing museums, Copenhagen West can provide and amazing base to supply them all.
